Important Service Change Information

October 19, 2023

Dear Bayview MUD Resident:

WM is excited to implement cart-only trash and recycling with 96-gallon carts in your community beginning **November 1**. With cart-only collection, no bags or extra material outside your cart will be collected. We are making this change to make your collection services more efficient, keeping safety as a top priority.

To make this transition, a 96-gallon trash cart with a green lid and a 96-gallon recycling cart with a yellow lid will be delivered to each residence. Cart delivery begins on Monday, October 30. Your 18-gallon bin will be removed after it is serviced.

In addition to trash and recycling service with 96-gallon carts, your bulk collection will be changing.

Beginning Wednesday, November 1, 2023, your collection schedule will be as follows:

Service Schedule

Trash collection: Your trash collection will remain on Tuesday and Friday.

Recycling collection: Your recycling collection will remain on Tuesday.

Bulk collection: Your new bulk service day will be the third (3rd) Tuesday of each month. Your first November collection will be **Tuesday, November 21**. Bulk collection is limited to eight (8) items or 3 cubic yards per residence.

Service Guidelines

- Please have your items out for collection by **7 a.m.** each service day.
- Please place your cart behind the curb at least 3 feet from all objects, including mailboxes, cars or trees. Avoid placing your carts, yard waste, or bulk items on the road, as it obstructs traffic.

Bulk Guidelines

Acceptable bulk items include broken down and bundled moving boxes, old furniture, bagged grass clippings, leaves, branches, and tree trimmings. Branches and tree trimmings that are tied and bundled should be no more than three inches (3") in diameter and four-foot (4') in length and weighing no more than forty to fifty (40-50) pounds.

If you have questions regarding your new service day, please visit wm.com.

Sincerely,
WM of Texas
